

# VaVie Water Element

## ALKALINE WATER DISPENSER

Model No: WE-BC-01 (Champagne)

Model No: WE-BC-01 (Silver)

# *Simplify Healthy Living*

## COMPREHENSIVE MAINTENANCE & FREE INSTALLATION

Alkaline water

Push button for alkaline water

Hot & Cold water dispenser

High capacity inner Tank

Self cleaning

Integrated door handle

Elegant night light

# Exterior Design (WE-BC-01)

## Product Description

1. The feed water of this unit should be 3 or 5 gallon bottled water (Mineral water). \*Users may contact us for recommended brand of water to be used for best results.
2. The output is either hot water or cold water or alkaline water (depending upon the selection of push button).
3. This unit was manufactured by applying international advanced technology, with features of beautiful shape, attractive appearance and ease to use. It is suitable to use at home, hotel, office space and school place and to meet the different needs of the people.
4. This Ionizer has large electroplates which increases usage life of the ionizer. System also has self-cleaning function.
5. This unit has adapted modular structure with stable quality, easy maintenance, energy saving, safe and convenient to use.
6. Additional features include high effluent flow rate, no leakage and longer lifespan.
7. The hot pot and heat pipe of this device are manufactured by using stainless steel material to make sure it is of high product quality with high efficiency and meet the related National Hygiene Standards.
8. This unit has an automatic heating and cooling device to adjust the water temperature automatically which provides high performance with a double protection mechanism.
9. There is a separate discharge outlet at the back which should be connected by a pipe to remove the discharge water (produced while dispensing alkaline water).

# Choice of Water (WE-BC-01)

<b>Alkaline Water</b>	Produces water of pH 8.5	Beneficial for health by acting as a powerful antioxidant, an effective alkalizing agent and a powerful detoxifier.	
<b>Cold Water</b>	Dispenses cold water from 3 or 5 gallon bottled water	For cold water usage	
<b>Hot Water</b>	Dispenses hot water from 3 or 5 gallon bottled water	Useful for making food and beverages.	

Please note that the pH value of Alkaline water will have a tolerance of +/- 0.5 depending on feed bottled water.

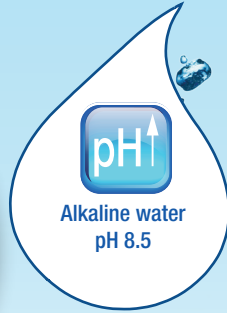

## Technical Specifications

<b>Product Name</b>	VaVie Water Ionizer Dispenser
<b>Model Name</b>	Water Element (WE-BC-01)
<b>Rated Voltage</b>	AC 230V / 50Hz
<b>Feed Water Type</b>	3 or 5 gallons bottled mineral water
<b>Output Water Type</b>	1. Alkaline water (pH 8.5)    2. Hot water    3. Cold water
<b>Heater Power</b>	500W
<b>Hot Water Temperature</b>	85 °C - 95 °C
<b>Cooler Power</b>	75W
<b>Cold Water Temperature</b>	7 °C - 15 °C
<b>Protected Against Electric Shock</b>	Class I Type
<b>Package Size</b>	350mm x 350mm x 1050mm
<b>Approved Safety Standards</b>	1. IEC 60335-2-15:2002 2. SAFETY Mark - Singapore

# Features of Alkaline Water Dispenser

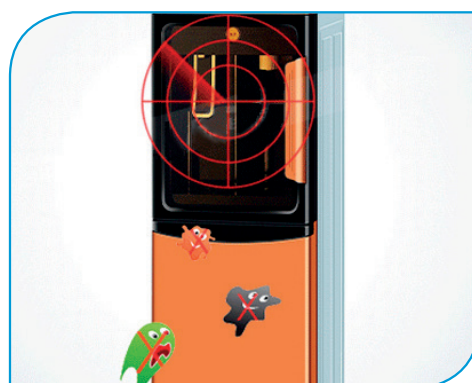

**Push button** - Push button for choosing alkaline water output. LED backlight to indicate that alkaline water will be dispensed.

**Elegant Light** - Automatic turn ON of light (when opening the glass door) making it convenient to drink at night.

**Cup-push water dispenser faucet/tap** - Strong push handle for dispensing alkaline/purified/cold water.

**Double sealed door** - Effectively prevent virus, bacterial and the harmful substances into the dispenser.

## Comparison Table

Feature	WE-BC-01	WE-B-01
Rated Voltage	AC 230V / 50Hz	
Feed water type	3 or 5 gallon bottle container as feed water input (Mineral water)	
Output water type	a. Alkaline Water - pH 8.5 b. Cold water c. Hot water	a. Alkaline Water - pH 8.5 b. Bottled water c. Hot water
Heater Power	500W	
Hot Water Temperature	85 °C - 95 °C	
Cooler Power	75W	-
Cold Water Temperature	7 °C - 15 °C	-
Protected Against Electric Shock	Class I Type	
Spacious Storage Cabinet	-	Available
Package Size	350mm x 350mm x 1050mm	
Approved Safety Standards	1. IEC 60335-2-15:2002 2. SAFETY Mark - Singapore	

# Benefits you can get

## ■ WHAT IS ALKALINE WATER?

Alkaline water is the delicious, and healthy water created from progressive water technology. This dispenser, through the process of ionization, can instantaneously produce Alkaline water. Drinking alkaline water provides various health benefits thereby "Simplifying Healthy Living".

## ■ POWERFUL ANTIOXIDANT

The centrepiece of ionized alkaline water is its antioxidant properties. These hydroxyl ions seek out and neutralize free radicals, making them wonderful free radical scavengers and enabling a body rich in oxygen and energy.

## ■ BALANCE BODY pH AS AN EFFECTIVE ALKALIZING AGENT

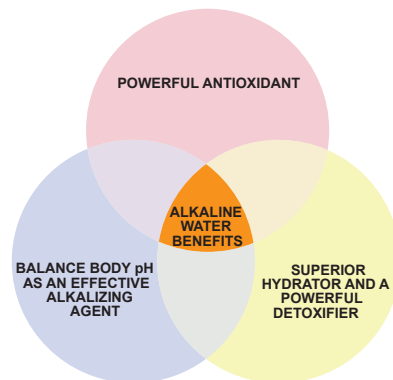

Keeping the body at healthy pH level (mild alkaline) is people's first line of defense in fighting any disease. Alkaline ionized water creates a major impact in balancing the body's pH level. A body that is too acidic provides ideal environment for diseases to manifest and thrive in.

## ■ SUPERIOR HYDRATOR AND A POWERFUL DETOXIFIER

One of primary causes of disease is chronic cellular dehydration, which leaves the body's cells in a perpetual state of weakness and defense. Drinking alkaline water is six times more hydrating than "conventional" drinking water. Effective hydration also helps skin look healthier and smoother.

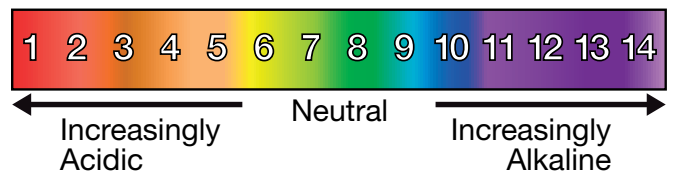

Drink  
Your Way  
to  
Better Health

## What is pH?

A measure of acidity or alkalinity of water soluble substances (pH stands for 'potential of Hydrogen'). A pH value is a number from 1 to 14, with 7 as the middle (neutral) point. Values below 7 indicate acidity which increases as the number decreases, 1 being the most acidic. Values above 7 indicate alkalinity which increases as the number increases, 14 being the most alkaline.

## Contact Information

# FREE

1. One year free maintenance is provided (two times a year) which includes:
  - a. Checking for electrical parts
  - b. Checking for water leakage

Please call and make arrangement to service your VaVie Water dispenser at your location\*.

\* Service locations must be within Singapore only.

Customers are required to register online to enjoy the warranty and our after sales services.

1. Register online on the VaVie official website : [www.vavie.com.sg](http://www.vavie.com.sg)
2. Please enter the necessary information on the "Warranty Registration" page.
